☐ February 3, 2018 Pattern Mash-Up Challenge

We have all been there. We like the collar from one pattern, the sleeves from another, then we draft our own bodice... This challenge encourages you to create a garment using pieces from some of your favorite patterns or your own. Mix it, mash it!

Please attach a sketch of your inspiration, a photo, printout or the pattern images you used for this challenge.

☐ April 7, 2018 In's & Out's: Blazers, Jackets & Coats Challenge

This challenge brings us back to the foundation of the HCCC – jackets and blazers -but with a little twist. You can make a coat, blazer or jacket of your choice in the classic tailored or any modern style. It can be innerwear or outer-wear.

Please write down why you chose this challenge and comment on the garment's underpinnings, if any.

When you participate in a challenge and complete the garment review form with the Challenge Addendum you will qualify as having your garment reviewed for the 2018 American Style Fashion show.
